Re: Permit Modification Approval for API Number 5101477, Well #: LUCEY 2H

Modified to use existing berm

Oil and Gas Operator:
The Office of Oil and Gas has reviewed the attached permit modification for the above referenced permit. The attached modification has been approved and well work may begin. Please be reminded that the oil and gas inspector is to be notified twenty-four (24) hours before permitted well work is commenced.

Please call James Martin at 304-926-0499, extension 1654 if you have any questions.

Sincerely,

Laura L. Adkins

RE: Rework Permits
Lucey 1H, 47-051-01382
Lucey 2H, 47-051-01477

Dear Laura:

We received Rework Permits on 5/6/16, for the above wells on the Lucey pad located in Marshall County. These wells are 6A Horizontal wells and were drilled in 2010 and 2011. We will not rebuild the berms and will use the existing berms on this pad, as shown in the As-Built drawings.

Please forward the documentation to reflect this for the permits. We appreciate your attention to this matter.

Sincerely,

Leslie A. Gearhart
Vice President Operations
