RE: FY2015 Priority List for the Clean Water State Revolving Fund Program

The Clean Water State Revolving Fund Program is beginning preparation of the annual FY2015 Priority List. If you wish to be listed on the FY2015 Clean Water SRF priority list, you must submit an application. The attached priority list application (which can be submitted electronically) must be completed and returned no later than **March 17, 2014**, if a SRF loan commitment is anticipated for the project. This application can also be found on the www.dep.gov website under Water and Waste, Clean Water SRF Program documents and publications.

The FY2015 Priority List will contain applicants eligible to be considered for a loan commitment between July 1, 2014 and June 30, 2015. All information requested on this document must be provided. Please note that the last page of the priority list application needs only to be completed if you have a project that you feel meets the requirements to be qualified as a “**Green Project**”. If you wish to be considered as an eligible green reserve project, you must complete this portion of the application

The required public hearing on the draft FY2015 Priority List and FY2015 Intended Use plan for the Clean Water SRF Program will be announced at a later date. Should you have any questions, please contact Rosalie Brodersen at (304) 926-0499 ext. 1608 or by email at Rosalie.M.Brodersen@wv.gov.
