INTRODUCTION

This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter "Director"), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to Eastwood System, Inc. (hereinafter, "Eastwood").

FINDINGS OF FACT

In support of this Order, the Director hereby finds the following:

1. Eastwood operates a sewage treatment plant at Eastwood Acres located in Nitro, Putnam County, West Virginia. Eastwood was reissued WV/NPDES Water Pollution Control Permit No. WV0103110, Registration No. WVG550243, on September 9, 2004. The WV/NPDES permit was administratively extended until July 13, 2011.

2. On September 5, 2013, West Virginia Department of Environmental Protection (WVDEP) personnel conducted an inspection of the facility and observed and documented the following violations of WV State Code and WV Legislative Rule:

    a. 22-11-8 and 47CSR10 Section 3.1 – Eastwood operated the facility without authorization pursuant to a valid WV/NPDES permit.
    b. 47CSR2 Section 3.2.b – Eastwood caused conditions not allowable in waters of the State by creating sludge deposits on the bottom of the receiving stream.

As a result of the aforementioned violations, Notice of Violation (NOV) Nos. W13-40-344-KWS and W13-40-345-KWS were issued to Eastwood.

3. On November 18, 2013, Eastwood was reissued WV/NPDES Water Pollution Control Permit No. WV0103110, Registration No. WVG550243, after paying all past due WV/NPDES Annual Permit and Groundwater Protection Fees.

4. On December 2, 2013, WVDEP personnel and a representative of Eastwood met to discuss the terms and conditions of this Order.

Now, therefore, in accordance with Chapter 22, Article 11, Section 1 et seq. of the West Virginia Code, it is hereby agreed between the parties, and ORDERED by the Director:

1. Eastwood shall immediately take all measures to initiate compliance with all pertinent laws and rules.

2. Within thirty (30) days of the effective date of this Order, Eastwood shall submit for approval a proposed plan of corrective action and schedule, outlining action items and completion dates for how and when Eastwood will achieve compliance with all pertinent laws and rules. The plan of corrective action shall make reference to Order No. 7959. The plan of corrective action shall be submitted to:

3. Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after Eastwoodbecomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and Eastwood shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which Eastwood intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of Eastwood (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A

force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.

4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving Eastwood of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject Eastwood to additional penalties and injunctive relief in accordance with the applicable law.

5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.

6. This Order is binding on Eastwood, its successors and assigns.

7. This Order shall terminate upon Eastwood's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.
