Rt. 2, Box 720
Summersville, WV 26651

DATE: February 16, 2012

ORDER NO.: 7297

INTRODUCTION

This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter "Director"), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to Shelton Trucking Company (hereinafter "Shelton").

FINDINGS OF FACT

In support of this Order, the Director hereby finds the following:

1. Shelton operates a facility located near Drennen, Nicholas County, West Virginia. Shelton was issued WV/NPDES Water Pollution Control Permit No. WV0111457, Registration No. WVG610225 on September 20, 2004. Said registration expired on September 30, 2009.

2. Establishments with discharges composed entirely of stormwater associated with industrial activities must obtain a permit from the West Virginia Department of Environmental Protection (WVDEP) pursuant to §22-11-8 of the State Code of West Virginia and as described in Legislative Rule Title 47, Series 10.

3. WVDEP advised Shelton in mid-2009, early -2010, and January 2011 to reapply for permit registration coverage under the Multi-Sector General WV/NPDES Water Pollution Control Permit for Stormwater Discharges Associated with Industrial Activity.

4. Shelton failed to renew its WV/NPDES permit registration.

5. A meeting by telephone was held between WVDEP and Shelton on August 25, 2011 to discuss the terms of this Order. Shelton indicated that it has now renewed its WV/NPDES permit coverage.

ORDER FOR COMPLIANCE

Now, therefore, in accordance with Chapter 22, Article 11, Section 1 et seq. of the West Virginia Code, it is hereby agreed between the parties, and ORDERED by the Director:

1. Shelton shall immediately take all measures to initiate compliance with all pertinent laws and rules.

2. Because of Shelton's West Virginia Code violations, Shelton shall be assessed a civil administrative penalty of four thousand four hundred thirty dollars ($4,430) to be paid to the West Virginia Department of Environmental Protection for deposit in the Water Quality Management Fund in accordance with the following schedule:

   Payment 1 in the amount of $369.16 due on or before May 1, 2012.
   Payment 2 in the amount of $369.16 due on or before June 1, 2012.
   Payment 3 in the amount of $369.16 due on or before July 1, 2012.
   Payment 4 in the amount of $369.16 due on or before August 1, 2012.
   Payment 5 in the amount of $369.16 due on or before September 1, 2012.
   Payment 6 in the amount of $369.16 due on or before October 1, 2012.
   Payment 7 in the amount of $369.16 due on or before November 1, 2012.
   Payment 8 in the amount of $369.16 due on or before December 1, 2012.
   Payment 9 in the amount of $369.16 due on or before January 1, 2013.
   Payment 10 in the amount of $369.16 due on or before February 1, 2013.

   Payment 12 in the amount of $369.24 due on or before April 1, 2013.

OTHER PROVISIONS

1. Shelton hereby waives its right to appeal this Order under the provisions of Chapter 22, Article 11, Section 21 of the Code of West Virginia. Under this Order, Shelton agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. However, Shelton does not admit to any factual and legal determinations made by the Director and reserves all rights and defenses available regarding liability or responsibility in any proceedings regarding Shelton other than proceedings, administrative or civil, to enforce this Order.

2. The Director reserves the right to take further action if compliance with the terms and conditions of this Order does not adequately address the violations noted herein and reserves all rights and defenses which he may have pursuant to any legal authority, as well as the right to raise, as a basis for supporting such legal authority or defenses, facts other than those contained in the Findings of Fact.

3. If any event occurs which causes delay in the achievement of the requirements of this Order, Shelton shall have the burden of proving that the delay was caused by

circumstances beyond its reasonable control which could not have been overcome by due diligence (i.e., force majeure). Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after Shelton becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which Shelton intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of Shelton (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.

4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving Shelton of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject Shelton to additional penalties and injunctive relief in accordance with the applicable law.

5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.

6. This Order is binding on Shelton, its successors and assigns.

7. This Order shall terminate upon Shelton's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.

Potential for Harm Factors:

1)c - Sensitivity of the Environment Potentially Affected (0 for "dead" stream)

1)d - Length of Time of Violation

1)e - Actual Human/Environmental Exposure and Resulting Effects thereon

Examples/Guidance:

Note: Rate as 1 for Minor, 2 for Moderate and 3 for Major. Rate as 0 if it does not apply.

Minor = exceedance of permit limit by <=40% for Avg. Monthly or <=100% for Daily Max., exceed numeric WQ standard by <= 100%, or report doesn't contain some minor information.

Moderate = exceedance of permit limit by >= 41% and <= 300% for Avg. Monthly , >= 101% and <= 600% for Daily Max., exceed numeric WQ standard by >= 101% and <= of 600% or report doesn't fully address intended subject matter.

Major = exceedance of permit limit by >= 301% for Avg. Monthly, >= 601% for Daily Max., exceed numeric WQ standard by >= 601%, failure to submit a report, failure to obtain a permit, failure to report a spill, etc. Note that a facility in SNC should be rated as major for length of time and degree of non-compliance.
