APPROVED
CONTINUING EDUCATION/RECERTIFICATION CLASSES
August 12, 2015

Beginning January 1, 2011, all workers must have at least 8 hours of course credit from the regular course category. No more than 8 hours credit from the safety category will be approved for each two year certification renewal period.

NOTE: Only courses on this list have been approved by WVDEP for UST Worker continuing education. Course Certificates MUST contain the course title, number of hours of continuing education credit as approved by WVDEP, the WVDEP provided course number, participant's name and UST certification number(s), and the date and location of the training. If the certificates do not contain all of the above-mentioned information, the course will not be accepted for WVDEP UST Worker continuing education."
