

April 16, 2012

Dear Principal;

Attached is a flyer pertaining to the Charleston Water Festival being held on Thursday, September 14, 2012 at the State Capitol. Your fifth grade teachers and students are invited to attend this year. An invitation letter and flyer has also been mailed to your fifth grade teachers.

We hope you will support the Water Festival and encourage the teachers at your school to register. The festival is free and requires only that your school provide transportation and lunches for the students.

The Festival is a day of fun, educational activities sponsored by the WV Department of Environmental Protection, Project WET, and other state, federal, and local water resource organizations. During the Festival, students will participate hands-on, interactive activities to learn about the water around them, its importance in their lives, and how to conserve and protect their water resources.

SPACE IS VERY LIMITED, so teachers need to register as soon as possible to reserve space for their classes.

We look forward to students at your school participating in this event.
If you have any questions please contact me at 304-465-1938 ext. 3191 or email kimberly.a.maxwell@wv.gov

Sincerely,

Enclosed:
