FACILITY REGISTRATION APPLICATION

WV/NPDES PERMIT NO. WV0115754 GENERAL PERMIT FOR WATER TREATMENT PLANTS IN WEST VIRGINIA SIC CODE 4941

General Permit Registration No.WVG64_____ (do not answer - for DEP use only)

For assistance in completing the application, please refer to the accompanying instructions.

---

1. Name of Facility _____
2. Location _____
   Street or Highway City Zip Code County
3. Owner _____
4. Owner Mailing Address _____
   Street or Highway City Zip Code
5. Owner Telephone Number (____)_____
6. Operator _____
7. Operator Email Address _____
8. Operator Telephone Number(____)_____
9. Contact Person _____ Title _____
10. Contact Person Email Address _____
11. Contact Person Telephone Number _____
12. Volume of Backwash _____ gpd

    Frequency of Backwash _____

(PLEASE COMPLETE THE REMAINING TWO PAGES)

---

13. Receiving Streams to Major River (e.g., unnamed tributary of Little Creek of Large Creek of Kanawha River:

For each outlet, list the latitude and longitude to the nearest second and the River Mile Point (if known). Refer to Instructions Document.

Outlet Number	Latitude			Longitude			River Mile Point
	Degrees	Minutes	Seconds	Degrees	Minutes	Seconds	
OO1							

14. List any existing WV/NPDES Permits previously issued by the Division of Water and Waste Management:

If you have none check this box ☐

Number WV_____Date Issued_____

Number WV_____Date Issued_____

15. Attach to this application a topographic map of the area. The map must mark the location of the facility, location of all wells, sinkholes, springs, rivers and other surface water bodies, and drinking water wells known to the applicant in the area of the facility.

16. Attach to this application a sketch of the facility showing the location of any treatment system, and the location of each outlet. Also attach plan view and detail drawings of the wastewater treatment system. The volume and dimensions of each treatment unit along with details of the inlet and outlet structures must be included. If the treatment system is proposed, submit a compliance timetable for construction.

17. **Waste Characteristics:** For each outlet, samples must be taken for the following parameters and the **results submitted with this registration form**:

A. Pollutant analyses required for each outlet.

Total Suspended Solids	Total Recoverable Manganese	pH
Total Residual Chlorine	Total Recoverable Aluminum	Flow
Total Fluoride	Total Recoverable Iron	

B. You must provide an analysis for each pollutant shown below that you know or have reason to believe is present in your discharge. See instructions for additional details and requirements.

Total Recoverable Barium	Total Recoverable Copper	Total Recoverable Lead
Nitrate-Nitrite	Total Recoverable Zinc	

C. Submit, **with this registration**, analyses of the upstream receiving stream for the parameters listed in PART A.

18. Do you wish to apply for Beneficial Use of Filtrate produced from treatment system?
YES ☐ NO ☐

a. If Yes, complete Application for Beneficial Use of Filtrate form, and attach to this application.
b. Also, attach completed Location Standards and Restrictions Checklist for Beneficial Use of Filtrate, approved and signed by authorized Environmental Enforcement Officer.
c. Describe current disposal method_____
d. Describe Existing Land Use of properties adjacent to proposed land application site.
_____
e. Attach a certified copy of any municipal or county zoning restrictions.
f. Attach a description of methods by which pathogen control and vector attraction reduction are to be achieved, and the methods to inhibit the mobility of metals added to the soil by land application of filtrate, should such land application cause an increase in the concentration of metals in the soil at a land application site.

19. ALL NEW FACILITIES APPLYING FOR GENERAL WATER TREATMENT PLANT PERMIT COVERAGE, AN APPROVED GROUNDWATER PROTECTION PLAN (GPP), IS REQUIRED.

All other facilities should already have an approved GPP in place.

Has your facility developed a Ground Water Protection Plan (GPP), and has a copy of the plan(s) been submitted and approved by the Agency? If not, submit a copy with this application for approval.

YES ☐ NO ☐

By completing and submitting this application, I have reviewed, understood and agreed to the terms and conditions of the general permit. I understand that provisions of the permit are enforceable by law. Violations of any term and condition of the general permit and/or other applicable law or regulation can lead to enforcement action.

I certify under penalty of law that I have personally examined and am familiar with the information submitted on this application form and all attachments and that, based on my inquiry of those individuals immediately responsible for obtaining the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

20. SIGNATURE & TITLE:_____ DATE:_____

PLEASE **PRINT** NAME & TITLE:_____

We will process your personal information (email address, mailing address and/or telephone number) in accordance with the State of West Virginia's Privacy Policy for appropriate and customary business purposes. Your personal information may be disclosed to other State agencies or third parties in the normal course of business or as needed to comply with statutory or regulatory requirements, including Freedom of Information Act requests. The Division of Water and Waste Management will appropriately secure your personal information. If you have any questions about our use of your personal information, please contact the DEP's Chief Privacy officer at depprivacyofficer@wv.gov.
