RE: Comments on 2012 Draft 303(d) List
Removal of Rollem Fork (WVO-2-Q-18-E), Frances Creek (WVO-2-Q-18-F) and
Right Fork of Cub Branch (WVO-2-Q-31-A)

Dear Mr. Young,

Argus Energy WV, LLC, would like to comment that we are in agreement with the West Virginia Department of Environmental Protection, Division of Water and Waste Management recommendation for the removal of the above mentioned tributaries in the Twelvepole Creek watershed for the States 2012 303(d) List.

Argus Energy WV, LLC, previously submitted comments requesting the removal of these streams from the States previous 2010 303(d) and we would like to express our appreciation of your agreement with our request.

Please contact me if you have any questions or desire additional information.

Sincerely,

Randall R. Maggard / sc
