Hi Steve,

I was wondering if you could give me an update on the Felman jaw crusher permit please?  
I am trying to manage the delivery schedule with Power Screen.

Thank you,

Carri

Hi Steve,  
I hope you had a nice 4<sup>th</sup> of July holiday. I hate to ask, but do you have a time frame when you might be done with the jaw crusher permit? We have to give Power Screen two-weeks notice for delivery and Felman is anxious to crush slag again.

Thank you,

Carri
