MEMORANDUM

To: File

From: Thornton E. Martin Jr.

Date: August 15, 2017

Subject: Changes to Draft Permit (After Close of Public Comment Period)
Final Determination – Wendell H. Stone Company, Inc. – Morgantown Batch Plant – Monongalia County, WV

ID #: 061-00231

APP #: R13-3360

Changes made to Draft Permit R13-3360:

Revised Sections 4.1.17. and 4.1.18. of Source-Specific Requirements, Limitations and Standards to reflect clarification of "cement supplement" and "admixtures" as provided by the Applicant during the Public Comment Period. Section 4.1.5. required no change.

Final Determination:

Pursuant to §45-13-8.8, all submitted relevant comments received during the R13-3360 public comment period have been reviewed and appropriately addressed in the Response to Comments document. It is the view of the DAQ that, after consideration of all comments received and revisions to the draft permit as noted above, the available information indicates Wendell H. Stone Company, Inc. DBA Stone & Company, Inc. (Stone Concrete) proposed construction of a concrete batch plant to be located in Morgantown, Monongalia County, WV will meet the emission limitations and conditions set forth in the permit and should comply with all currently applicable state and federal air quality management rules and standards.

Thornton E. Martin Jr.
Permit Engineer
