**MEMORANDUM**

**To:** Bev McKeone  
**From:** Jerry Williams  
**Date:** December 9, 2015  
**Subject:** PD15-095, Baker Hughes Oilfield Operations, Inc. (033-00260)

Baker Hughes Oilfield Operations, Inc. submitted PD15-095 on November 10, 2015. PD15-095 was submitted to request a determination for a drilling fluids blending facility.

Based on the information submitted with PD15-095, the Baker Hughes Oilfield Operations, Inc. did not provide the following required information:

- Haul road emission calculations were not submitted
- Engine manufacturer specification sheets with emission factors were not submitted.
- The loading rack and tank throughputs do not match.

I contacted Joshua Morrissette with Baker Hughes in an attempt to collect this information. I did not receive a response to my request. Therefore, because of the reasons listed above, no decision can be reached.

Therefore, a no decision letter has been issued.
