**MEMORANDUM**

**To:** Beverly McKeone  
**From:** William T. Rothwell II  
**Date:** January 12, 2016  
**Subject:** Clearon Corporation – South Charleston – Kanawha County, WV  
**ID #:** 039-00011  
**APP #:** PD15-107

**BACKGROUND INFORMATION:**

Clearon Corporation is proposing to replace an existing 20,000 gallon sodium bisulfate tank with a new 18,500 gallon sodium bisulfate tank at the above subject facility. No state or federal rules are triggered and there is not an emission increase associated with this replacement.

**RECOMMENDATION:**

The emission rates are below the emission limits of six (6) lb/hr and ten (10) TPY; 2 lb/hr, or 5 TPY of HAPs set forth set forth in 45CSR13 - 2.17.a&b. Therefore, a permit is not required by this Division for the above mentioned tank replacement.

William T. Rothwell II, P.E.  
Engineer
