Subject: Class I Administrative Update, R13-1147S, Armstrong Hardwood Flooring Company

On March 9, 2016 the DAQ received an administrative update request for Armstrong Hardwood Flooring Company to make changes to Permit R13-1147R. Attached to this memo is the letter of approval and updated Permit R13-1147S, along with the suggested changes.

It is being requested that one of the Baghouse numbers be changed in Table 1.0, Emission Limits, from 009-018 to 009-011. It is also being requested that the design capacity for Baghouse No. 5 be updated from 44,606 ACFM to 43,295 ACFM, which is reflected in the permit application for R13-1147R. Based on 45CSR13 "Class I Administrative Updates" are limited to changes including typographical errors. Therefore, a Class I Administrative Update is needed and it is recommended for approval.
