RE: Application Status: Complete
Greer Industries, Inc. dba Greer Lime; Petersburg Facility
Permit Application R13-3274
Plant ID No. 023-00052

Mr. Gwynne,

Your application for a Construction permit for the Petersburg Facility was received by this Division on September 28, 2015 and assigned to the writer for review. On October 07, 2015, the DAQ received an original affidavit of publication. Upon further review of said application, it has been determined that the application is complete as of October 29, 2015.

The applicant's Class I legal advertisement was published in the *Grant County Press* on September 29, 2015. Therefore, the 30 day comment period expires at 5:00 p.m. on October 29, 2015. As of this date, no comments have been received.

In the case of this application, the agency believes it will take approximately 90 days to make a final permit determination.

This determination of completeness shall not relieve the permit applicant of the requirement to subsequently submit, in a timely manner, any additional or corrected information deemed necessary for a final permit determination.

Should you have any questions, please contact me at (304) 926-0499 ext. 1212 or reply to this email.

Sincerely,

Application No. R13-3274

Mr. Gwynne,

Your application for a construction permit for the Petersburg location was received by this Division on September 28, 2015, and was assigned to Lee Martin. The following item was not included in the initial application submittal:

Original affidavit for Class I legal advertisement not submitted.

**Please note to use phone extension 1250 for future legal ads.*

This item is necessary for the assigned permit writer to continue the 30-day completeness review.

Within 30 days, you should receive a letter from Lee stating the status of the permit application and, if complete, given an estimated time frame for the agency's final action on the permit.

Any determination of completeness shall not relieve the permit applicant of the requirement to subsequently submit, in a timely manner, any additional or corrected information deemed necessary for a final permit decision.

For future reference, please submit two electronic applications. These must include signatures.

Should you have any questions, please contact the assigned engineer, Lee Martin, at 304-926-0499, extension 1212.
