Permit Application R13-2170B  
Plant ID No. 081-00148**

Mr. Jones,

Your application for a modification permit for an emergency generator at the Federal Correctional Institution's Beaver location was received by this Division on September 9, 2016, and assigned to the writer for review. Upon review of said application, it has been determined that the application is complete and, therefore, the statutory review period commenced on October 6, 2016.

**In the case of this application, the agency believes it will take approximately 90 days to make a final permit determination.**

This determination of completeness shall not relieve the permit applicant of the requirement to subsequently submit, in a timely manner, any additional or corrected information deemed necessary for a final permit determination.

Should you have any questions, please contact me at (304) 926-0499 ext.1212 or reply to this email.

RE: Application Status  
Department of Justice, Federal Bureau of Prisons Beaver/Industrial PA Facility ID No. 081-00148 Application No. R13-2170B

Mr. Jones

Your application for a modification permit for the Federal Correctional Institution's Beaver location was received by this Division on September 9, 2016, and was assigned to Lee Martin. The following items were not included in the initial application submittal:

Original affidavit for Class I legal advertisement not submitted.

Application fee AND/OR additional application fees:  
\*\$1,000 Construction, Modification, Relocation or Temporary Permit  
\*\$1,000 NSPS

These items are necessary for the assigned permit writer to continue the 30-day completeness review.

Within 30 days, you should receive a letter from Lee stating the status of the permit application and, if complete, given an estimated time frame for the agency's final action on the permit.

Any determination of completeness shall not relieve the permit applicant of the requirement to subsequently submit, in a timely manner, any additional or corrected information deemed necessary for a final permit decision.

Should you have any questions, please contact the assigned engineer, Lee Martin, at 304-926-0499, extension 1212.
