Ms. Snook,

Your application for a modification permit for the Valley Pet facility (Bedington Site) was received by this Division on September 2, 2016, and was assigned to Lee Martin. The following item was not included in the initial application submittal:

**Original affidavit for Class I legal advertisement not submitted.**

Within 30 days, you should receive a letter from Lee stating the status of the permit application and, if complete, given an estimated time frame for the agency's final action on the permit.

Any determination of completeness shall not relieve the permit applicant of the requirement to subsequently submit, in a timely manner, any additional or corrected information deemed necessary for a final permit decision.
