**MEMORANDUM**

To: Bev McKeone, NSR Program Manager

From: Caraline Griffith, Engineer Trainee

Date: June 23, 2015

Subject: Administrative Update, G70-A153A, Antero Resources Corporation

On June 11, 2015 the DAQ received an administrative update request for Antero Resources Corporation to make changes to Permit Registration G70-A153. Attached to this memo is the letter of approval and updated General Permit Registration G70-A153A.

It is being requested that the manufacturer of the combustor be changed from Abutec to Cimarron. Based on 45CSR13 "Class I Administrative Updates" are limited to changes including typographical errors, which is what is occurring in this permit registration. Therefore, a Class I Administrative Update is needed and it is recommended for approval.
