**MEMORANDUM**

**To:** Beverly McKeone, P.E. – New Source Review Program Manager

**From:** Ed Andrews, Engineer 

**Date:** September 23, 2015

**Subject:** Class I Administrative Update of R13-2632 (R13-2632A) for Mountain State Carbon LLC – Follansbee Coke Plant (009-00002)

On August 3, 2015, the DAQ received a request from Mountain State Carbon LLC to update Permit R13-2632. The applicant has identified an error in Condition 4.1.6., which reference Condition 4.1.5. This condition should have referred to Condition 4.1.4. instead of Condition 4.1.5.

Condition 4.1.6. established compliance with the operating limits in Conditions 4.1.2, 4.1.3., and 4.1.4. on a 12 month rolling total. The writer recommends updating Permit R13-2632 by issuing Permit R13-2632A to Mountain State Carbon LLC in accordance with 45 CSR 13.
