Subj: Class I Administrative Update Request
Greenbrier Valley Medical Center - Facility ID 025-00109
Permit Number G60-C075A

This Class I Administrative Update was received on July 31, 2015 and assigned to the writer on August 11, 2015.

Greenbrier Valley Medical Center obtained a permit for the After-the-fact installation of two emergency generators to provide back-up electrical power for critical operating functions for their facility.

Permit G60-C075 had the following language on page two of the permit.

This permit does not affect 45CSR30 applicability, the source is a nonmajor source subject to 45CSR30.

The writer deleted the above language and replaced it with the following for Permit G60-C075A:

The source is not subject to 45CSR30.

The writer also changed the status of the permit in Airtrax from Title V to SIP.
