**RE: Application Status: Complete
J.F. Allen Co. (Bridgeport/Asphalt)
Permit Application R13-2109A
Plant ID No. 033-00127**

Mr. Leatherman:

Your application for a Modification permit for the Bridgeport Hot Mix Asphalt facility was received by this Division on July 20, 2016 and assigned to the writer for review. Upon receipt of your Affidavit of Publication on August 04, 2016 and review of said application, it has been determined that the application is complete and, therefore, the statutory review period commenced on August 19, 2016.

In the case of this application, the agency believes it will take approximately 90 days to make a final permit determination.

This determination of completeness shall not relieve the permit applicant of the requirement to subsequently submit, in a timely manner, any additional or corrected information deemed necessary for a final permit determination.

Should you have any questions, please contact me at (304) 926-0499 ext.1212 or reply to this email.

Mr. Leatherman,

Your application for modification permit for the Bridgeport/Asphalt (McAlpin Site) was received by this Division on July 20, 2016, and was assigned to Lee Martin. The following item was not included in the initial application submittal:

Original affidavit for Class I legal advertisement not submitted.

This item is necessary for the assigned permit writer to continue the 30-day completeness review.

Within 30 days, you should receive a letter from Lee stating the status of the permit application and, if complete, given an estimated time frame for the agency's final action on the permit.

Any determination of completeness shall not relieve the permit applicant of the requirement to subsequently submit, in a timely manner, any additional or corrected information deemed necessary for a final permit decision.

Should you have any questions, please contact the assigned engineer, Lee Martin, at 304-926-0499, extension 1212.

In the future, please submit one original application and two electronic versions. Electronic versions should contain signatures.
