MEMORANDUM

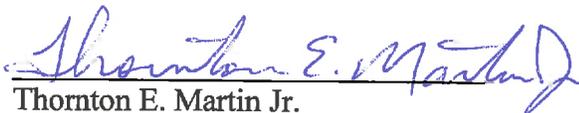

To: Beverly McKeone
From: Thornton E. Martin Jr.
Date: September 22, 2016
Subject: Greer Industries, Inc. dba Buckeye Asphalt Company
ID #: 061-00126
APP #: G40-B005B

BACKGROUND INFORMATION:

On August 29, 2016, Greer Industries, Inc. dba Buckeye Asphalt Company submitted a request for a Class I Administrative Update to their General Permit Registration (G40-B005A) to correct two typographical errors.

First in the Emissions Unit Table, Asphalt Mix Silo S3 has a construction date of 2004. This should be 2000. Second, the Emissions Limitations table does not include CO TPY emissions from the Materials Handling, however the total for CO still reflects the Material Handling emission value of 0.51 TPY. The total CO TPY emissions should be 12.08 TPY.

Corrections were completed by the writer and General Permit Registration (G40-B005B) is being submitted for signature.
