

## NOTICE OF PUBLIC COMMENT PERIOD

The West Virginia Department of Environmental Protection (DEP) is announcing an opportunity for public comment on a proposed revision to the State Implementation Plan (SIP) regarding the 2010 1-hour nitrogen dioxide (NO<sub>2</sub>) National Ambient Air Quality Standards (NAAQS). The SIP is the plan developed by West Virginia in order to fulfill its responsibilities under the Clean Air Act (CAA) to attain and maintain the NAAQS promulgated by the U.S. Environmental Protection Agency (U.S. EPA). The public comment period begins November 2, 2012 and ends December 3, 2012.

In this proposed revision to the SIP, West Virginia is demonstrating that it has adequate resources and authority to implement the 2010 1-hour NO<sub>2</sub> NAAQS. Compliance with specific CAA section 110(a)(2) requirements is detailed in a document demonstrating that the State meets these express requirements through authorities granted under state laws and regulations, as well as implementation of existing air programs. DEP is seeking comments on whether the document adequately demonstrates West Virginia's compliance with the pertinent federal CAA mandates related to these SIP infrastructure elements.

Upon completion of the public notice period, and after addressing any written comment, the DEP will submit the final documentation to the U.S. EPA as a revision to the SIP. This proposed SIP revision is considered to be non-controversial in nature. Therefore, a public hearing will be held only if requested in writing, and the written request is received by December 3, 2012. Any person who requests a public hearing should identify any substantive issue they intend to raise in a hearing. If properly requested, the hearing will be held beginning at 6:00 p.m. on December 10, 2012 at the address below and the public comment period will be extended until the close of the hearing. A public notice announcing whether a hearing will be held will be posted in the *West Virginia Register* published on December 7, 2012.

Copies of the proposed CAA §110(a)(2) SIP revision may be viewed between 8:30 a.m. and 4:30 p.m. at the DEP Division of Air Quality, 601 57th SE, Charleston, WV 25304, beginning November 2, 2012, or electronically upon e-mail request to: Tammy.L.Mowrer@wv.gov.
