This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter "Director"), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to Frametown Fire Department (hereinafter "Frametown VFD").

**FINDINGS OF FACT**

In support of this Order, the Director hereby finds the following:

2. On February 7, 2013, West Virginia Department of Environmental Protection (WVDEP) personnel conducted an inspection of the facility. During the inspection, violations of the following sections of the terms and conditions of Frametown VFD's WV/NPDES permit were observed and documented:
  - a. Section B.3 - The Permittee failed to properly submit quarterly discharge monitoring reports within twenty (20) days following the end of the reporting period for the past two (2) reporting periods.
  - b. Section E.13 – The Permittee failed to post a discharge marker at the facility.

- c. Section F.1 – The Permittee failed to properly operate and maintain all facilities and systems of treatment and control. Specifically, there was no dechlorination unit at facility.

As a result of the aforementioned violations, Notice of Violation (NOV) No. I13-04-0207-GCM was issued to Frametown VFD.

3. On July 17, 2014, WVDEP personnel conducted an inspection of the facility. During the inspection, violations of the following sections of the terms and conditions of Frametown VFD's WV/NPDES permit were observed and documented:
  - a. Section B.3 – The Permittee failed to properly submit quarterly discharge monitoring reports within twenty (20) days following the end of the reporting period for the last six (6) reporting periods.
  - b. Section F.1 – The Permittee failed to properly operate and maintain all facilities and systems of treatment and control. Specifically, no chlorine or dechlor tablets were present in the feeders.

As a result of the aforementioned violations, NOV No. W14-04-0717-GCM was issued to Frametown VFD.

4. On January 27, 2015, WVDEP personnel and representatives of Frametown VFD met to discuss the terms and conditions of this Order.
5. On March 11, 2015, Frametown VFD submitted financial documents to WVDEP. The provided information was used to perform an economic analysis which evaluated Frametown VFD's ability to pay a civil administrative penalty.

Under this Order, Frametown VFD agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. However, Frametown VFD does not admit to any factual and legal determinations made by the Director and reserves all rights and defenses available regarding liability or responsibility in any proceedings regarding Frametown VFD other than proceedings, administrative or civil, to enforce this Order.
2. The Director reserves the right to take further action if compliance with the terms and conditions of this Order does not adequately address the violations noted herein and reserves all rights and defenses which he may have pursuant to any legal authority, as well as the right to raise, as a basis for supporting such legal authority or defenses, facts other than those contained in the Findings of Fact.
3. If any event occurs which causes delay in the achievement of the requirements of this Order, Frametown VFD shall have the burden of proving that the delay was caused by circumstances beyond its reasonable control which could not have been overcome by due diligence (i.e., force majeure). Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after Frametown VFD becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and Frametown VFD shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which Frametown VFD intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of Frametown VFD (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.
4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving Frametown VFD of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject Frametown VFD to additional penalties and injunctive relief in accordance with the applicable law.
5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.
6. This Order is binding on Frametown VFD, its successors and assigns.

7. This Order shall terminate upon Frametown VFD's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.
