**CONSENT ORDER
ISSUED UNDER THE
WATER POLLUTION CONTROL ACT
WEST VIRGINIA CODE, CHAPTER 22, ARTICLE 11**

TO: Global Capital of World Peace, Inc.
Attn: Tim Fitz Randolph
1000 Purusha Place Suite 105
Romney, WV 26757

DATE: June 10, 2015

ORDER NO.: 8398

INTRODUCTION

This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter “Director”), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to Global Capital of World Peace, Inc. (hereinafter “GCOWP”).

FINDINGS OF FACT

In support of this Order, the Director hereby finds the following:

1. GCOWP is conducting land disturbance activity near Three Churches, Hampshire County, West Virginia. GCOWP was issued WV/NPDES Water Pollution Control Permit No. WV0115924, Registration No. WVR104360, on May 7, 2009. The WV/NPDES permit expired on September 30, 2013.
2. On March 18, 2015, West Virginia Department of Environmental Protection (WVDEP) personnel conducted an inspection of the facility. During the inspection, a violation of the following section of WV Legislative Rules was observed and documented:
 - a. 47CSR10 Section 5.2-GCOWP failed to re-apply for its WV/NPDES permit at least one hundred eighty (180) days prior to expiration of the permit.

As a result of the aforementioned violation, Notice of Violation (NOV) No. I15-14-016-MJA was issued to GCOWP.

3. On June 4, 2015, WVDEP personnel conducted a record review and determined that GCOWP does not have coverage under a WV/NPDES permit. Discharging of pollutants into waters of the State without authorization pursuant to a valid WV/NPDES permit is a violation of WV State Code 22-11-8.

ORDER FOR COMPLIANCE

Now, therefore, in accordance with Chapter 22, Article 11, Section 1 et seq. of the West Virginia Code, it is hereby agreed between the parties, and ORDERED by the Director:

1. GCOWP shall immediately take all measures to initiate compliance with all pertinent laws and rules.
2. Within thirty (30) days of the effective date of this Order, GCOWP shall electronically submit an administratively complete application for WV/NPDES permit coverage for the regulated activity. Any questions regarding the application process shall be directed to WVDEP DWWM-Permitting Section at (304) 926-0495.
3. Because of GCOWP's West Virginia Code and Legislative Rule violations, GCOWP shall be assessed a civil administrative penalty of six thousand forty dollars (\$6,040) to be paid to the West Virginia Department of Environmental Protection for deposit in the Water Quality Management Fund within thirty (30) days of the effective date of this Order. Payments made pursuant to this paragraph are not tax-deductible for purposes of State or federal law. **Payment shall include a reference to the Order No. and shall be mailed to:**

**Chief Inspector

OTHER PROVISIONS

1. GCOWP hereby waives its right to appeal this Order under the provisions of Chapter 22, Article 11, Section 21, and/or Chapter 22, Article 12, Section 11 of the Code of West Virginia. Under this Order, GCOWP agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. However, GCOWP does not admit to any factual and legal determinations made by the Director and reserves all rights and defenses available regarding liability or responsibility in any proceedings regarding GCOWP other than proceedings, administrative or civil, to enforce this Order.
2. The Director reserves the right to take further action if compliance with the terms and conditions of this Order does not adequately address the violations noted herein and reserves all rights and defenses which he may have pursuant to any legal authority, as well as the right to raise, as a basis for supporting such legal authority or defenses, facts other than those contained in the Findings of Fact.
3. If any event occurs which causes delay in the achievement of the requirements of this Order, GCOWP shall have the burden of proving that the delay was caused by circumstances beyond its reasonable control which could not have been overcome by due diligence (i.e., force majeure). Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after GCOWP becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and GCOWP shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which GCOWP intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of GCOWP (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.
4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving GCOWP of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject GCOWP to additional penalties and injunctive relief in accordance with the applicable law.
5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.
6. This Order is binding on GCOWP, its successors and assigns.

7. This Order shall terminate upon GCOWP's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.

- 1)d - Length of Time of Violation
- 1)e - Actual Human/Environmental Exposure and Resulting Effects thereon

Examples/Guidance:

Note: Rate as 1 for Minor, 2 for Moderate and 3 for Major. Rate as 0 if it does not apply.

Minor = exceedance of permit limit by <=40% for Avg. Monthly or <=100% for Daily Max., exceed numeric WQ standard by <= 100%, or report doesn't contain some minor information.

Moderate = exceedance of permit limit by >= 41% and <= 300% for Avg. Monthly, >= 101% and <= 600% for Daily Max., exceed numeric WQ standard by >= 101% and <= of 600% or report doesn't fully address intended subject matter.

Major = exceedance of permit limit by >= 301% for Avg. Monthly, >= 601% for Daily Max., exceed numeric WQ standard by >= 601%, failure to submit a report, failure to obtain a permit, failure to report a spill, etc. Note that a facility in SNC should be rated as major for length of time and degree of non-compliance.
