**CONSENT ORDER
ISSUED UNDER THE
WATER POLLUTION CONTROL ACT
WEST VIRGINIA CODE, CHAPTER 22, ARTICLE 11**

TO: Blue Ridge Community College
Mr. John Harris
400 West Stephens Street
Martinsburg, WV 25401

DATE: January 31, 2011

ORDER NO.: 7483

INTRODUCTION

This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter "Director"), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to Blue Ridge Community College (hereinafter "BCC").

FINDINGS OF FACT

In support of this Order, the Director hereby finds the following:

1. BCC operates a construction project and associated land disturbance for the new Blue Ridge Community College located off Route 45 near Martinsburg, in Berkeley County, West Virginia.
2. On May 15, 2011, Morgan Keller, Inc., the general contractor for the project, was given notice from BCC to proceed with earth moving activities. These activities began on May 19, 2011.
3. On July 29, 2011, West Virginia Department of Environmental Protection (hereinafter "WVDEP") personnel visited the site and found that earth moving activities had commenced prior to obtaining a WV/NPDES permit. This is a violation of WV Code 22-11-8. Notice of Violation 111-02-108-MJA was issued.

4. On August 15, 2011, WVDEP personnel visited the site and found that earth moving activities were ongoing and that a WV/NPDES permit still had not been issued. This is a violation of WV Code 22-11-8. Notice of Violation I11-02-111-MJA was issued.
5. On August 15, 2011, after the WVDEP inspection, project personnel decided to cease earth moving activities until such time that a WV/NPDES permit was obtained.
6. On August 23, 2011, BCC was issued WV/NPDES registration number WVR105493.
7. On August 31, 2011, WVDEP personnel visited the site and found that the contractor was not following the approved sequence of construction, having commenced earth moving activities prior to completion of sediment basins. This is a violation of the WV/NPDES permit Section B. Notice of Violation I11-02-114-MJA was issued.
8. A meeting between BCC and WVDEP was held on January 10, 2012 to discuss the terms of this Order.

ORDER FOR COMPLIANCE

Now, therefore, in accordance with Chapter 22, Article 11, Section 1 et seq. of the West Virginia Code, it is hereby agreed between the parties, and ORDERED by the Director:

1. BCC shall immediately take all measures to initiate compliance with all terms and conditions of its WV/NPDES permit.
2. Within fifteen (15) days of entry of this Order, BCC shall submit for approval a proposed plan of corrective action and schedule, outlining action items and completion dates for how and when BCC will achieve compliance with all terms and conditions of its WV/NPDES permit. The plan of corrective action shall be submitted to:

**WVDEP Environmental Inspector Supervisor
NE Regional Environmental Enforcement Office
HC63 Box 2545
Romney, WV 26757**

A copy of this plan shall be submitted to:

**Chief Inspector
Environmental Enforcement - Mail Code #031328
WVDEP
601 57th Street SE
Charleston, WV 25304**

Upon approval, the plan of corrective action and schedule shall be incorporated into and become part of this Order, as if fully set forth herein. Failure to submit an approvable plan of corrective action and schedule or failure to adhere to the approved schedule is a violation of this Order.

3. Because of BCC's West Virginia Code and permit violations, BCC shall be assessed a civil administrative penalty of nine thousand nine hundred ten dollars (\$9,910) to be paid to the West Virginia Department of Environmental Protection for deposit in the Water Quality Management Fund within thirty (30) days of entry of this Order. Payments made pursuant to this paragraph are not tax-deductible for purposes of State or federal law.
Payment shall be mailed to:

**Chief Inspector
Environmental Enforcement - Mail Code #031328
WV-DEP
601 57th Street SE
Charleston, WV 25304**

OTHER PROVISIONS

1. BCC hereby waives its right to appeal this Order under the provisions of Chapter 22, Article 11, Section 21 of the Code of West Virginia. Under this Order, BCC agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. However, BCC does not admit to any factual and legal determinations made by the Director and reserves all rights and defenses available regarding liability or responsibility in any proceedings regarding BCC other than proceedings, administrative or civil, to enforce this Order.
2. The Director reserves the right to take further action if compliance with the terms and conditions of this Order does not adequately address the violations noted herein and reserves all rights and defenses which he may have pursuant to any legal authority, as well as the right to raise, as a basis for supporting such legal authority or defenses, facts other than those contained in the Findings of Fact.
3. If any event occurs which causes delay in the achievement of the requirements of this order, BCC shall have the burden of proving that the delay was caused by circumstances beyond its reasonable control which could not have been overcome by due diligence (i.e., force majeure). Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after BCC becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which BCC intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of BCC (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.

4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving BCC of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject BCC to additional penalties and injunctive relief in accordance with the applicable law.
5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.
6. This Order is binding on BCC, its successors and assigns.
7. This Order shall terminate upon BCC's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.

2)	Extent of Deviation Factor	Factor Range												
	Degree of Non-Compliance	1 to 3	3	3	3									

Potential for Harm Factors:

- 1)c - Sensitivity of the Environment Potentially Affected (0 for "dead" stream)
- 1)d - Length of Time of Violation
- 1)e - Actual Human/Environmental Exposure and Resulting Effects thereon

Examples/Guidance:

Note: Rate as 1 for Minor, 2 for Moderate and 3 for Major. Rate as 0 if it does not apply.

Minor = exceedance of permit limit by <=40% for Avg. Monthly or <=100% for Daily Max., exceed numeric WQ standard by <= 100%, or report doesn't contain some minor information.

Moderate = exceedance of permit limit by >= 41% and <= 300% for Avg. Monthly, >= 101% and <= 600% for Daily Max., exceed numeric WQ standard by >= 101% and <= of 600% or report doesn't fully address intended subject matter.

Major = exceedance of permit limit by >= 301% for Avg. Monthly, >= 601% for Daily Max., exceed numeric WQ standard by >= 601%, failure to submit a report, failure to obtain a permit, failure to report a spill, etc. Note that a facility in SNC should be rated as major for length of time and degree of non-compliance.
