INTRODUCTION

This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter "Director"), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to JC Lumber Company (hereinafter "JC").

FINDINGS OF FACT

In support of this Order, the Director hereby finds the following:

1. JC operates a sawmill located near Elkins, Randolph County, West Virginia. JC was reissued WV/NPDES Water Pollution Control Permit No. WV0111457, Registration No. WVG610161, on March 24, 2011.
2. On November 28, 2012, West Virginia Department of Environmental Protection (WVDEP) personnel conducted an inspection of the facility. During the inspection, violations of the following sections of the terms and conditions of JC's WV/NPDES permit were observed and documented:
 - a. Section B.17-JC failed to develop and/or implement a Groundwater Protection Plan (GPP) and Storm Water Pollution Prevention Plan (SWPPP).
 - b. Section B.11-JC failed to document inspections, trainings, and other records.
 - c. Section A.1-JC failed to perform water sampling between January 1, 2009 and November 28, 2012.

As a result of the aforementioned violations, Notice of Violation (NOV) No. i12-42-104-203 was issued to JC.

3. On July 10, 2013, WVDEP personnel and representatives of JC met to discuss the terms and conditions of this Order.
4. On August 20, 2013, JC submitted financial documents to WVDEP. The provided information was used to perform an economic analysis which evaluated JC's ability to pay a civil administrative penalty.

Now, therefore, in accordance with Chapter 22, Article 11, Section 1 et seq. of the West Virginia Code, it is hereby agreed between the parties, and ORDERED by the Director:

2. Within thirty (30) days of the effective date of this Order, JC shall submit for approval a proposed plan of corrective action and schedule, outlining action items and completion dates for how and when JC will achieve compliance with all terms and conditions of its WV/NPDES permit. The plan of corrective action shall make reference to WV/NPDES Permit No. WV0111457, Registration No. WVG610161, and Order No. 7856. The plan of corrective action shall be submitted to:

3. Because of JC's permit violations, JC shall be assessed a civil administrative penalty of one thousand nine hundred thirty dollars (\$1,930) to be paid to the West Virginia Department of Environmental Protection for deposit in the Water Quality Management Fund within thirty (30) days of the effective date of this Order. OTHER PROVISIONS

1. JC hereby waives its right to appeal this Order under the provisions of Chapter 22, Article 11, Section 21 of the Code of West Virginia. Under this Order, JC agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. However, JC does not admit to any factual and legal determinations made by the Director and reserves all rights and defenses available regarding liability or responsibility in any proceedings regarding JC other than proceedings, administrative or civil, to enforce this Order.
2. The Director reserves the right to take further action if compliance with the terms and conditions of this Order does not adequately address the violations noted herein and reserves all rights and defenses which he may have pursuant to any legal authority, as well as the right to raise, as a basis for supporting such legal authority or defenses, facts other than those contained in the Findings of Fact.
3. If any event occurs which causes delay in the achievement of the requirements of this Order, JC shall have the burden of proving that the delay was caused by circumstances beyond its reasonable control which could not have been overcome by due diligence (i.e., force majeure). Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after JC becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and JC shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which JC intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of JC (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.
4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving JC of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject JC to additional penalties and injunctive relief in accordance with the applicable law.

5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.
6. This Order is binding on JC, its successors and assigns.
7. This Order shall terminate upon JC's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.
