CONSENT ORDER
ISSUED UNDER THE
WATER POLLUTION CONTROL ACT
WEST VIRGINIA CODE, CHAPTER 22, ARTICLE 11

TO: King Tire Service
Attn: Matthew King
PO Box 3511
Bluefield, WV 24701

DATE: May 3, 2012

ORDER NO.: 7303

INTRODUCTION

This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter "Director"), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to King Tire Service (hereinafter "KTS").

FINDINGS OF FACT

In support of this Order, the Director hereby finds the following:

1. KTS operates a facility located near Brush Fork, Mercer County, West Virginia. KTS was issued WV/NPDES Water Pollution Control Permit No. WV0111457, Registration No. WVG610848 on April 20, 2006. Said registration expired on September 30, 2009.

2. Establishments with discharges composed entirely of stormwater associated with industrial activities must obtain a permit from the West Virginia Department of Environmental Protection (WVDEP) pursuant to §22-11-8 of the State Code of West Virginia and as described in Legislative Rule Title 47, Series 10.

3. WVDEP advised KTS in mid-2009, early -2010, and January 2011 to reapply for permit registration coverage under the Multi-Sector General WV/NPDES Water Pollution Control Permit for Stormwater Discharges Associated with Industrial Activity.

4. KTS failed to renew its WV/NPDES permit registration.

5. On September 26, 2011, WVDEP personnel conducted an inspection of the facility. During the inspection, it was observed and documented that KTS was conducting industrial activity that was exposed to stormwater without authorization pursuant to a WV/NPDES permit.

   As a result of the aforementioned violation, Notice of Violation (NOV) No. I11-28-065-JHH was issued to KTS.

6. On April 26, 2012, WVDEP personnel and a representative of KTS met to discuss the terms and conditions of this Order.

ORDER FOR COMPLIANCE

Now, therefore, in accordance with Chapter 22, Article 11, Section 1 et seq. of the West Virginia Code, it is hereby agreed between the parties, and ORDERED by the Director:

1. KTS shall immediately take all measures to initiate compliance with all pertinent laws and rules.

2. Within forty-five (45) days of entry of this Order, KTS shall submit an administratively complete application for permit coverage for the regulated activity. This application shall be submitted to:

   Permitting Section
   DWWM
   ATTN: Patrick D. Burch
   601 57th Street
   Charleston, WV 25304

3. Because of KTS's West Virginia Code violations, KTS shall be assessed a civil administrative penalty of two thousand four hundred thirty dollars ($2,430) to be paid to the West Virginia Department of Environmental Protection for deposit in the Water Quality Management Fund within thirty (30) days of entry of this Order. Payments made pursuant to this paragraph are not tax-deductible for purposes of State or federal law. **Payment shall be mailed to:**

   Chief Inspector
   Environmental Enforcement - Mail Code #031328
   WV-DEP
   601 57th Street SE
   Charleston, WV 25304

OTHER PROVISIONS

1. KTS hereby waives its right to appeal this Order under the provisions of Chapter 22, Article 11, Section 21 of the Code of West Virginia. Under this Order, KTS agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. However, KTS does not admit to any factual and legal determinations made by the Director and reserves all rights and defenses available regarding liability or responsibility in any proceedings regarding KTS other than proceedings, administrative or civil, to enforce this Order.

2. The Director reserves the right to take further action if compliance with the terms and conditions of this Order does not adequately address the violations noted herein and reserves all rights and defenses which he may have pursuant to any legal authority, as well as the right to raise, as a basis for supporting such legal authority or defenses, facts other than those contained in the Findings of Fact.

3. If any event occurs which causes delay in the achievement of the requirements of this Order, KTS shall have the burden of proving that the delay was caused by circumstances beyond its reasonable control which could not have been overcome by due diligence (i.e., force majeure). Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after KTS becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which KTS intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of KTS (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.

4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving KTS of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject KTS to additional penalties and injunctive relief in accordance with the applicable law.

5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.

6. This Order is binding on KTS, its successors and assigns.

7. This Order shall terminate upon KTS's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.

Potential for Harm Factors:

1)c - Sensitivity of the Environment Potentially Affected (0 for "dead" stream)

1)d - Length of Time of Violation

1)e - Actual Human/Environmental Exposure and Resulting Effects thereon

Examples/Guidance:

Note: Rate as 1 for Minor, 2 for Moderate and 3 for Major. Rate as 0 if it does not apply.

Minor = exceedance of permit limit by <=40% for Avg. Monthly or <=100% for Daily Max., exceed numeric WQ standard by <= 100%, or report doesn't contain some minor information.

Moderate = exceedance of permit limit by >= 41% and <= 300% for Avg. Monthly , >= 101% and <= 600% for Daily Max., exceed numeric WQ standard by >= 101% and <= of 600% or report doesn't fully address intended subject matter.

Major = exceedance of permit limit by >= 301% for Avg. Monthly, >= 601% for Daily Max., exceed numeric WQ standard by >= 601%, failure to submit a report, failure to obtain a permit, failure to report a spill, etc. Note that a facility in SNC should be rated as major for length of time and degree of non-compliance.
