TO: Leonard Rhodes
Route 1 Box 90-d
Burlington, WV 26710

DATE: December 14, 2012

ORDER NO.: 7764

INTRODUCTION

This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter "Director"), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to Leonard Rhodes.

FINDINGS OF FACT

In support of this Order, the Director hereby finds the following:

1. Leonard Rhodes conducted stream bank clearing at a site he owns near Burlington, Mineral County, West Virginia. The purpose of the operation was to remove trees and fallen debris from the streambank, however, the operation also occurred within the limits of the stream itself.
2. On October 2, 2012, West Virginia Department of Environmental Protection (WVDEP) personnel conducted an inspection of the facility. During the inspection, a violation of the following section of WV Legislative Rules was observed and documented:
 - a. 47CSR2 Section 3.2.a - Leonard Rhodes caused conditions not allowable in waters of the State by creating distinctly visible solids which affected approximately two hundred (200) feet of Beaver Run.

As a result of the aforementioned violation, Notice of Violation (NOV) No. WR-012-029-080- 216 was issued to Leonard Rhodes.

Promoting a healthy environment.

3. Subsequent to the aforementioned inspection, Leonard Rhodes quickly blocked the stream to minimize negative effects. Also subsequent to the aforementioned inspection, Leonard Rhodes began the Division of Natural Resources (DNR) and Army Corps of Engineers (ACOE) permit applications required to cover activity within the stream.

2. Within thirty (30) days of the effective date of this Order, Leonard Rhodes shall submit for approval a proposed plan of corrective action and schedule, outlining action items and completion dates for how and when Leonard Rhodes will achieve compliance with all pertinent laws and rules. 3. Because of Leonard Rhodes' WV Legislative Rules violation, Leonard Rhodes shall be assessed a civil administrative penalty of one thousand thirty dollars (\$1,030) to be paid to the West Virginia Department of Environmental Protection for deposit in the Water Quality Management Fund within thirty (30) days of the effective date of this Order. Under this Order, Leonard Rhodes agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. However, Leonard Rhodes does not admit to any factual and legal determinations made by the Director and reserves all rights and defenses available regarding liability or responsibility in any proceedings regarding Leonard Rhodes other than proceedings, administrative or civil, to enforce this Order.
2. The Director reserves the right to take further action if compliance with the terms and conditions of this Order does not adequately address the violations noted herein and reserves all rights and defenses which he may have pursuant to any legal authority, as well as the right to raise, as a basis for supporting such legal authority or defenses, facts other than those contained in the Findings of Fact.
3. If any event occurs which causes delay in the achievement of the requirements of this Order, Leonard Rhodes shall have the burden of proving that the delay was caused by circumstances beyond its reasonable control which could not have been overcome by due diligence (i.e., force majeure). Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after Leonard Rhodes becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and Leonard Rhodes shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which Leonard Rhodes intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of Leonard Rhodes (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.
4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving Leonard Rhodes of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject Leonard Rhodes to additional penalties and injunctive relief in accordance with the applicable law.

5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.

Monthly, >= 601% for Daily Max., exceed numeric WQ standard by >= 601%, failure to submit a report, failure to obtain a permit, failure to report a spill, etc. Note that a facility in SNC should be rated as major for length of time and degree of non-compliance.
