Under this Order, PIT agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after PIT becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and PIT shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which PIT intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of PIT (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.

5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.
6. This Order is binding on PIT, its successors and assigns.
7. This Order shall terminate upon PIT's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.
